

RECOMMENDATION LETTER – Leandro Parisi

24/11/2022

To whom this may concern,

This is to certificate that Mr. Leandro Parisi Carvalho Belisário was employee of Nata House and was employed from January 2021 unit August 2021.

During his stay he was an important part of the team. He was extremely pro active and was always delivering features with high quality.

As his main contribution to the team I can highlight a big refactor he led on the code base, which highly improved the teams performance and organization

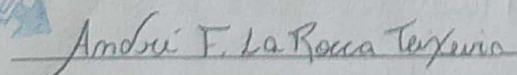

Mr. Leandro Parisi Carvalho Belisário was part of the team full time basis (40 hours / week) as a **Software Engineer**.

Position	Duration	Location
Software Engineer	January 2021 – August 2021	Brazil

He performed the following duties:

1. Maintaining code base;
2. Implementing new features which were requested by the stakeholders;
3. Helping organize the team;
4. Mentoring and teaching new members;

Sincerely yours,

André La Rocca
Co Founder – Nata House
